

Intersec Europe 2027

Stand Rental Price List

Exhibitor overview

All prices are net prices and subject to statutory VAT. The AUMA fee and environmental contribution are charged separately unless they are expressly included in the relevant package price.

This is how the 2027 pricing model works: The starting point is always the standard price for your stand type and stand area. Depending on the booking date and stand size, a discount is granted on the standard price. This keeps pricing transparent. Your price is calculated by deducting the applicable percentage discount from the standard price.

Standard stand price

Raw space

Stand type	2027 standard price / m ²
Open on 1 side	290,00 €
Open on 2 sides	300,00 €
Open on 3 sides	310,00 €
